

## SNEC 15th (2021) International Photovoltaic Power Generation and Smart Energy Exhibition & Conference

SNEC (2021) PV POWER EXPO which will be held from June 3-5, in Shanghai New International Expo Center (SNIEC). It was initiated by Asian Photovoltaic Industry Association (APVIA), Chinese Renewable Energy Society (CRES), Chinese Renewable Energy Industries Association (CREIA), Shanghai Federation of Economic Organizations (SFEO), Shanghai Science & Technology Development and Exchange Center (SSTDEC), Shanghai New Energy Industry Association (SNEIA) and jointly organized by 19 international associations and organizations including Solar Energy Industries Association (SEIA).

As the most professional PV exhibition, SNEC showcases PV manufacturing facilities, materials, PV cells, PV application products & modules, and PV project and system, covering every section of the whole PV industry chain. SNEC has become the biggest international PV tradeshow with incomparable influence in China, in Asia and even in the world.

The SNEC Conference consist of various programs incorporating different topics, covering the market trends of PV industry, collaboration and development strategies, policy directions of different countries, advanced industry technologies, PV finance and investment, etc. It is an opportunity that you can't miss to stay up to date on the technology and market, present your results to the community, and network with industrial experts, scholars and entrepreneurs and colleagues.

We are looking forward to the worldwide PV industry friends gathering at Shanghai, China. From the industry's viewpoint, let us take pulse of the PV power market of China, Asia, and the world, so as to guide the innovative development of the PV industry! Hope all of us meet at Shanghai, on June 3-5, 2021 !
